The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications will be or were published on January 31, 2018. Public notices are generally published every week. The previous publication of public notices was January 25, 2018.

#### PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15<sup>th</sup> Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 2<sup>nd</sup> Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532-0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is Oak Grove Gin, LLC with a mailing address of 1605 Highway 222, Somerville, TN 38068. They seek to obtain an air contaminant permit (Division identification number: 24-0010-01/973581) for modification of the cotton gin bales capacity limit located at the same address. This existing operation consists of cotton ginning equipment to gin cotton. Cyclones are used for air pollution control. The company has requested an increase to their annual bales limit from 45,000 bales per season to 60,000 bales per season. There would not be physical construction. Regulated air contaminants would be emitted at this facility. Mr. Chris Meek is the assigned Division person.

For the Fayette County "Fayette Falcon"--- publish once on Wednesday, January 31, 2018.

---

The applicant is Nissan North America, Inc. - Smyrna with a mailing address of 983 Nissan Drive, Smyrna, TN 37167. They seek to obtain an air contaminant permit (Division identification number: 75-0155-25/973147) for modification of undercoating material for Paint Line 2 located at the same address. This existing operation consists of various spray nozzles to apply an undercoat to each vehicle. Exhaust filters and performance testing for material transfer efficiency will be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted at this facility. Mr. Chris Meek is the assigned Division person.

For the Rutherford County "Daily News Journal"--- publish once on Wednesday, January 31, 2018.
